## ABOUT THE COLLEGE

The 6<sup>th</sup> National Conference on Control, Communication and System Engineering will be held on 28<sup>th</sup> March 2018 in the Department of Instrumentation and Control Engineering at Tamilnadu College of Engineering, Coimbatore. The Institution was established in 1984 and is the **first Self-financing College** started in Tamil Nadu. The college is situated in picturesque surroundings, abutting NH47 in Karumathampatti, 30 Kms from industrial city Coimbatore and 30 Kms from textile city Tirupur. The college offers graduation studies in 8 disciplines and 4 post graduation studies.

## ABOUT THE DEPARTMENT

The Department of Instrumentation and Control Engineering was started in the year 1984 at Tamilnadu college of Engineering. The department has an intake of 60 students per year. The department is approved by AICTE and permanently affiliated to Anna University. The department has a well equipped Process Control lab, Transducer & Measurement lab, Industrial Instrumentation lab & Virtual Instrumentation lab.

## ABOUT THE CONFERENCE

Instrumentation and Control plays a major role in meeting the demands of modern industrial world that seeks continuous improvement in performance. There is a growing demand from the industries for the development of new concepts and approach to meet the new challenges in the field of Instrumentation and Control Engineering. The Conference provides a forum for industrial sector and academia to exchange recent development in various fields like Communication, Electrical, Electronics, Instrumentation, Control, Computer Science and Mechatronics. It also provides an exposure to existing deployment, current developments and future evolution.

## CONFERENCE TOPICS

- Adaptive Control
- Aerospace instrumentation
- Automation and application of Robots
- Biomedical Instrumentation & Biomechanics
- Computer Applications in Modeling and Simulation Concepts.
- Digital Signal Processing & Image Processing
- Drives and Control/Power System
- Embedded Systems
- Energy management and control
- Future trends and challenges in Process Control & Instrumentation
- Fuzzy Logic and Neural Network
- Mechatronics
- MEMS & Nanotechnology
- Optical Instrumentation
- PLC & DCS
- Robust Control
- Telecommunication Network
- Virtual Instrumentation

**Keynote speech will be delivered by industrial experts.**

## ELIGIBILITY

Engineers from Industries, R&D personnel, Students and Faculty of EIE/ICE/ECE/EEE/CSE/MECH /AUTO departments, research scholars from different parts of the country are eligible to participate in the conference.

## REGISTRATION FEE

Registration fee should be paid through DD drawn in favour of **"The Principal, Tamilnadu College of Engineering"** payable at Coimbatore or through internet banking to Mrs. R.Gokila, A/c no:- 1532500100523301, IFSC code:- KARB0000153. The payment details must be emailed to conference mail id. Traveling expenditure will have to be borne by the participants. Accommodation can be arranged for female candidates with nominal charges subject to the availability of rooms in college hostel.

## CALL FOR PAPER

One copy of the full paper not exceeding 6 pages, typed on one side of A4 sheets as per IEEE double column MS word format on any one of the above topics should be sent to the convener by email. The accepted papers received with full registration fees in IEEE format will be published in the proceedings of the conference. **Authors are restricted to two per paper. Exceeding authors need to pay additional registration fees.**

## FEES & SUBMISSION DEAD LINE

For participants from industries / R&D institutions	-	₹ 1500/-
Faculty members	-	₹ 1000/-
UG&PG students	-	₹ 800/-
Last date for submission of paper	-	12.03.2018
Intimation of acceptance	-	14.03.2018
Last date for submission of accepted paper in specified format and registration with fees	-	16.03.2018
Conference date	-	28.03.2018

## PUBLICATION

All the selected papers will be published in the following International Journals

- **International Journal of Automation and Autonomous system**
- **International Journal of Artificial Intelligent Systems and Machine Learning**
- **International Journal of Networking and Communication Engineering**
- **International Journal of Fuzzy systems**
